Student Entry Form

Competition Region ....School Name ....

Supervising Teacher's Name .... Email ....Phone # ....

ServiceIQ reserves the right to limit entries to any class and/or event based on venue limitations. We recommend that schools spread their entries across different classes to avoid over-subscribing any particular class. Students wanting to enter more than one class need to enter each class on a separate line *(see example in italics)*.

Please send competed form to **schools@serviceiq.org.nz** **–** **Subject line:** BOTP Student Entry Form – [Please fill out your school name here]

Student full name	NSN	Categories
*Jane Lastname	*123456789*	*2 – Burger/Sandwich*
*Jane Lastname	*123456789*	*7 – Café Cake*

* We can see Jane wants to enter two classes. One live, and one static. Once entries are in we will try and match student preferences with availability of space as much as possible.   29757 – Ed3 – Apr24
